# Advanced Teaching Programme in Vocational and Professional Education and Training (ATP) AY2020/21

## About the Programme

With the rapidly changing environment in Vocational and Professional Education and Training (VPET) and new initiatives in learning and teaching in Vocational Training Council (VTC), Centre for Learning and Teaching (CLT) offers the 15-hour Advanced Teaching Programme in Vocational and Professional Education and Training (ATP) to in-service teachers, including the graduates of the Introduction to Teaching Programme (ITP) to enhance teaching and instructing staff's pedagogical knowledge and teaching skills in VPET for continuing professional development.

## Target Participants

The Programme is offered to teaching and instructing staff in their second to fifth year of service in VTC on a mandatory basis by nomination.

## Programme Aims

This Programme aims to develop an advanced understanding of the pedagogical knowledge and latest development in Vocational and Professional Education and Training (VPET), to enhance teachers' competency in applying innovative pedagogies and technologies, and to equip teachers with knowledge and skills needed in supporting an inclusive education setting as well as to foster learning in the workplace environment.

## Programme Intended Learning Outcomes

On completion of the Programme, participants will be able to:

- describe the key developments in VPET and current learning and teaching initiatives in VTC;
- devise appropriate pedagogical strategies in VPET classrooms and workplace learning environment;
- facilitate students' learning by adopting technology, andragogy, collaborative learning and inclusive approaches;
- reflect upon one's teaching practice in VPET as part of the professional development; and
- network with teaching and instructing staff from different provisions of VTC for collaboration and sharing of good practices.
